Subject: RE: Agricultural TOU rates implementation

Great. I have Sid Dietz working on getting a time set up this week that works for everyone. I've cc'd him on this.

Subject: Agricultural TOU rates implementation

Brian,

Cliff Rechtschaffen in the Governor's office would in fact like to have a conversation with PG&E about the impacts of June date for Default Agricultural TOU. I will likely need to call into whatever meeting is set up, but can you have someone work with Cliff to get a meeting scheduled.
