Subject: RE: ED Staff titles for Ex Parte Notice

Bruce --

I was sad to miss all the action, but I plan to solve that problem by joining the DR team when they visit ya'll. So no need to try to herd advisors. Have a good evening!

yours,

sid

Dear Bruce and Rachel,

Thank you very much for your responses. This was very helpful.

I just spoke with our Regulatory Affairs department and received a small request. Since we are subject to filing Ex Parte notifications for meetings Commissioners Advisors attend, it would be very helpful to know in advance whether an advisor will be present at a meeting so that one of the Regulatory Affairs staff can plan to attend and properly take care of the Ex Parte in accordance with CPUC rules.

Best,

All is correct, except for me and Arthur O'Donnell. Both of us are Program Supervisors. I'm Demand Response, and Arthur is Grid Planning and Reliability. Sorry for not making that clearer.

Thank you for your input Rachel and Bruce, I very much appreciate the quick response.

Rachel, I moved you to the Thursday meeting and as suggested by Bruce, I will change the titles to Analyst (except for Werner Blumer). Does this look okay?

CPUC Attendees at Thursday 4/10 meeting:

Audrey Lee, Advisor to President Peevey

Rachel Peterson, Advisor to Commissioner Florio

Bruce Kaneshiro, Analyst

Rachel McMahon, Analyst

Dorris Chow, Analyst

Scarlet Liang-Uejo, Analyst

Russell Edwards, Analyst

Werner Blumer, Utilities Engineer

CPUC Attendees at Friday 4/11 meeting:

Audrey Lee, Advisor to President Peevey

Bruce Kaneshiro, Analyst

Dorris Chow, Analyst

Dave Erickson, Analyst

Aloke Gupta, Analyst

Arthur O'Donnell, Analyst

Thank you!

Hi Reda, Thanks for checking. The designations you have listed for the non-supervisory and non-advisor staff are fine in describing what they work on, although I should clarify that they are not formal titles. The formal titles for all of them except Werner Blumer, is Public Utilities Regulatory Analyst, or you can just say Analyst for short. Werner is a utilities engineer. (By the way, there is small misspelling on his last name for the Thurs meeting).

Dear Rachel and Bruce,

I hope you had a lovely weekend! Thank you again for coordinating last week's meetings. I am glad it all worked out so well and we had the chance to discuss a lot of relevant issues.

PG&E needs to file an Ex Parte Notice for Thursday's and Friday's meeting since Audrey Lee and Rachel Peterson attended.

The Ex Parte requires all attendees and their titles. Since the titles are not available on the CPUC website, would you please help us confirm the titles of the ED staff? I drafted a list from notes I took during past meetings and some web
