Hi Redacted

Is this where I should put my old color printer?

Thx,

Hi There!

Just to remind you that all dumpsters will be picked up on Saturday, 4/19/14, in order to prepare for our Safety Inspection on Monday, 4/21/14. To take advantage of this opportunity to really clean up your area and/or office, make sure to clear underneath your desk and clean up your office.

THANK YOU,

Hi There!

Please make sure your office is ready for the Safety Inspection next Monday, April 21.

Two sets of large recycling and trash bins have been ordered and will be located in the north and south hallway and by the freight elevator of the 10th floor. They will arrive in a few days in advance for you to de-clutter your office. (hopefully by Monday, 4/14/14 morning)

Some things the inspection team will be checking for:

- Any objects that could cause harm or constitute a safety issue if they fall, e.g. heavy objects on top of file cabinets.
- * Ample duck and cover space below your desk to use in case of an emergency.
- * That furniture (e.g., book cases, cabinets, etc.) is securely bolted to the wall.
- * That
