Ray,

Great. Also I confirmed that 11:00 on 4/22 works for the veg meeting.

Thanks,

Meredith

Meredith:

The 23rd at 9am works for the verification meeting. The 22nd at 10 am does not work on our end. Would 1:00 pm work on the 23rd for the vegetation meeting?

Ray,

Would 4/22 at 10 am work for the veg meeting and 4/23 at 9 work for the work verification meeting? I will check in with Jay on scheduling the meeting to explain his team. Eric is out until Friday.

Thanks,

Meredith
