Subject: PG&E Emergency Exercise Invitation

All,

PG&E is conducting two company Emergency Exercises this year. The first will be on May 14 and 15 and will involve an EOC activation on Day 1 and activities primarily at the base camp on Day 2. Below is the information concerning the exercise. We are also conducting a company exercise on November 19 and 20. Unfortunately both of these exercises are Wednesday/Thursday of Commission meeting weeks. We have asked our team that coordinates these exercises to work with us next year to ensure that we do not have the same conflict again.

Staff from SED and the Energy Division have also been invited.

Please let me know if anyone from your office would like to attend and I will send additional information. Please let me know if you have any questions.

Thank you,

Meredith
