Terrie,

Below is information concerning PG&E's company Emergency Exercise on May 14 and 15. It will involve an EOC activation on Day 1 and activities primarily at the base camp on Day 2. Below is the information concerning the exercise. We are also conducting a company exercise on November 19 and 20. Unfortunately both of these exercises are Wednesday/Thursday of Commission meeting weeks. We have asked our team that coordinates these exercises to work with us next year to ensure that we do not have the same conflict again.

I'm sorry that we haven't connected yet and will call you on Tuesday to discuss. I hope you are having a great weekend.

Thank you,

Meredith
