Ken,

Yes. The exercise will cover both gas and electric.

Thanks,
Meredith

Thanks Meredith for the information. Does the scenario 7.0 earthquake entail compromised gas facilities and associated response / recovery activities?

Ray, Ken, Valerie,

PG&E is conducting two company Emergency Exercises this year. The first will be on May 14 and 15 and will involve an EOC activation on Day 1 and activities primarily at the base camp on Day 2. Below is the information concerning the exercise. We are also conducting a company exercise on November 19 and 20.

If you or your staff would like to participate in the May exercise, please respond to me with the names of your designated attendees and I will send additional information. Please let me know if you have any questions.

Thank you,

Meredith
