Ray,

Thanks for sending. I appreciate you taking time over the weekend to draft. I hope you can enjoy the rest of the day.

Attached is my first rough draft of the drought resolution. There are some sections I have not started yet (Summary, Protest, Notice, Comments), but please let me know if the direction works for PG&E and being able to use it going forward. Also, I included creating partnerships based upon the CalFire letter.

Also, I will be out of the office and in SF on Monday, so if you have questions or comments, please call me cell phone.

Ray
