Subject: Wednesday Meeting

Hi Candace,

I wanted to follow up on our Friday conversation to confirm our tentative meeting tomorrow. Does 1:00 p.m. at the CPUC still work for you? In attendance for PG&E will be Redacted, Redacted and myself. Erik Jacobson may also attend if his schedule allows.

Generally, we'd like to get a better view of CPUC staff's take on the CAISO's proposals, as well as provide you with our impressions of the process.

I look forward to hearing from you.

Peter
