Public Meeting: Demand Response Measurement and Evaluation Committee (DRMEC) Workshop on Load Impact Evaluations

Wednesday, May 7, 2014

Location

9:30AM-5:00PM

*Pacific Energy Center, The Green
851 Howard Street
San Francisco, California*

Teleconference Information:

Please dial: 1-866-257-9353

*Passcode: * 4159734778 **

CPUC Decision (D.)09-08-027 directs the DRMEC to conduct an annual public workshop presenting the results of demand response load impact evaluations conducted under the DRMEC's oversight. As part of the annual Load Impact workshop, Ordering Paragraph 12 of D.12-04-045 also directs the Utilities to address the baseline comparison analysis.

The Utilities filed and served the 2013 Load Impact Evaluation reports on April 1, 2014. These reports can be accessed at the following links:

- www.sce.com/applications (enter "R.13-09-011" in search box and click "GO") – SCE local program includes Summer Discount Plan, Real-Time Pricing, Peak Time Rebate and Agriculture and Pumping Interruptible Program.

IOUs statewide program includes Aggregator, BIP, CPP, DBP, and PLS.

• <http://apps.pge.com/regulation> (click on "Search for Public Case Documents", select "Demand Response OIR 2013" from the dropdown menu, select 04/01/14 and PG&E as the party) – PG&E local program includes Residential TOU, Non-Residential TOU, SmartRate, Residential Smart AC, and Non-Residential SmartAC.

- <http://www.sdge.com/regulatory-filing/10486/oir-enhance-role-dr-meeting-state-resource-planning-ops-reqmt> - SDG&E local program includes Summer Saver, Non-Alert PTR, and Residential PTR.

The baseline analysis for AMP and CBP is in Volume 2 of *the 2013 Statewide Load Impact Evaluation of California Aggregator Demand Response Programs*. The baseline analysis for DBP is contained in the report of the *2013 Load Impact Evaluation of California Statewide Demand Bidding Programs for Non-Residential Customers: Ex Post*

and Ex Ante Report. These reports can be accessed at www.sce.com/applications.

An agenda and slide presentation will be distributed prior to the workshop.

For questions about this workshop, please contact Dorris Chow; email: dorris.chow@cpuc.ca.gov.
