Subject: RE: Citation OIR

I will check it out – and we have focused a lot on the OIR – I will check out the cap

Carol – we have significant concerns over the size of the cap in the Citation OIR that is scheduled for a vote next week. The suggested cap is \$20 million, which we think is excessive. Even if you disagree with our premise, this cap is being installed and voted out without any public comment or input. We will be putting in a request to come visit Mike about it and the other Commissioners. Have you guys focused on this issue at all ?
