Subject: Station power: 2009 refund detail

I learned from [Redacted] that Dynegy refused to pay PGE retail station power from 2006-2009. Thus, they did not receive a refund when the first AL was finally approved at the end of 2009. There were tow other customers, Calpine and La Paloma that received refunds, which totaled about 1.5 million.

That adds a bit of color to the Station Power story.
Jason
