If you are still on, we are having lunch at noon. Any dietary restrictions for anyone ?

We are located at [Redacted] Take the
[Redacted] to the first [Redacted] exit (second exit exiting [Redacted] heading east). Take a
left on [Redacted] and proceed to [Redacted] Road (4th street light I believe). Make a
right on [Redacted] Go about a 1/2 mile and [Redacted] splits to the right - [Redacted] Drive splits
to the left. Bear left on [Redacted] and drive through the stone gates that say [Redacted]
[Redacted] Proceed on [Redacted] until the second stop sign at [Redacted] Turn left on
[Redacted] and proceed up the hill. [Redacted] is the first street on the right. We are
halfway up the street on the right with the bond measure sign to fix the roads - which
are the worst in the Bay Area ! [Redacted] Hope you can make it. Dress casual
as it won't be fancy.
