> The National Energy and Utility Affordability Coalition (NEUAC) annual hosts a conference, the nation's largest annual gathering devoted to easing the home-energy burdens of low-income Americans. This year's conference will be held June 18-20, 2014, at the Sheraton Kansas City Hotel at Crown Center in Kansas City, Missouri. NEUAC 2014 is expected to draw 700 or more participants from across the country to address the issues surrounding affordable home energy for vulnerable households. Attendees include nonprofits, national and state advocacy groups, government agencies, Tribal communities, and utilities.
