That time works. You are welcome to come down here or I can come there.

I really appreciate it. I can only imagine what you deal with on a day-to-day.

How about 2:30 on next Wednesday the 14th? I am very happy to trek down towards your office if that is most convenient.

Thank you so much again in advance.

Brian - happy to. My apologies for the gap since we met last time. As you can imagine, it isn't easy being in my job these days. Wed (all afternoon) and Thur (up until 3 pm) afternoons next week generally work or any time Friday after about 930.

Hi Brian:

Do you, by chance, have a quick moment in the next week or two to grab a coffee? I respect that you're very busy, but I was hoping to follow up on some things. I am happy to meet you wherever and whenever you're free, and I would really value your input.

Thank you and kind regards,

Brian
