Karen – I had the opportunity to meet Adeyemi today at PG&E and discuss the utility industry. Adeyemi is a recent graduate from Boalt (last week !) and is interested in discussing opportunities in the energy space both public and private. Would you be able to chat with him sometime to give him your thoughts and insights ? Thank you in advance.

Dear Mr. Cherry,

It was a pleasure meeting you this morning sir, thank you very much for taking time off your busy schedule to meet me. I appreciate the words of advice and guidance, It helped me get a clearer sense of what I need to consider while I search for a job.

As discussed I have attached my resume, thanks again and have a wonderful week sir.

Best Regards,
