Nick -

I have been working with Dan on this issue and he asked me to cover this meeting. I can be available any day the week of Memorial Day other than Friday at 11:00.

Dan, Brian and Mike

Below is the link to the Rule 21 Smart Inverter Scoping Memo. I have spoken to each of you individually about this, and now that the 'clock is ticking' on your filings, I would appreciate it if you would keep me abreast of the progress you are all making towards compliance. As a first step, perhaps we can set up a joint meeting towards the end of this month to discuss your implementation plan. My calendar is fairly open the week of Memorial Day so please suggest some times.

Nick
