Subject: RE: PAS 55 Event on May 27 (afternoon)

Brian -- Upon further consideration, with both the GRC and San Bruno on the cusp of release, I think it would be wiser for me to pass on this event. While I would like to offer words of encouragement to your team, I think a public event like this could create “appearance” issues that may outweigh the benefits. Sorry! Maybe next time . . . . . Thanks, Mike
