So week of June 9, but not the 10th, appears good. It would be great if you could get Picker.

Hi Laura,

You can. But the “best “ week is the week of June 9th. Nick is coming on the 10th so I would stay away from that date but we can do any date from now until the 18th.

Dennis

Since you are still in Sacramento, I'd really like to try again to get the newest CPUC Commissioner, Michael Picker, out to see the pilot. He lives in Sacto!

Can I just offer him ANY day over the next 3 weeks or can you tell me a few best times?

He is the "safety commissioner" designee, so he's important.

Thanks!

Laura
