Geoff: There has been a shrinkage of 'good delis' in SF in the past 20 years....Lucca's at 20th and Valencia....Molinari's on Columbus.....where are the Carnegie Deli's out here????.....the SF pc food police may ban a Carnegie's!!!.....hate to say it, but I don't think Original Joe's food is as good as it was on Taylor St.....Marin Joe's still very good....nothing close has replaced Bruno's.....the foregoing may lead to DR reconsidering relocation!!!!.....pf....btw, can someone tell me how any quality fish dish served in the up-scale (no pun intended) SF restaurants can possibly be served without a lemon wedge or two?????.....

Have you found him a good deli? As essential as getting Phil and Big Louie to lunch in their day.
