Subject: R.11-05-005 (RPS): AReM Request for Extension of Time to Submit RPS
Procurement Plans

To all parties of record in R.11-05-005,

Pursuant to Rule 11.6 of the California Public Utilities Commission's ("Commission") Rules of Practice and Procedure, the Alliance for Retail Energy Markets ("AReM") intends to seek a three week extension of time in the schedule for this proceeding. AReM intends to request the extension to provide sufficient time to develop and incorporate Renewable Net Short ("RNS") calculations and address questions as required by the May 21, 2014 Administrative Law Judge's Ruling on Renewable Net Short. Prior to the May 21st Ruling, the Commission had informed AReM that RNS calculations would not be required from Electric Service Providers ("ESPs") and small utilities, pursuant to the March 26, 2014 Assigned Commissioner's Ruling.

Please let me know by 2 pm on Wednesday, May 28, 2014 if you support or oppose this request.

Proposed Revised Schedule:

6/25 – IOUs, Small Utilities, and ESPs file proposed annual RPS Procurement Plans

7/15 – PacifiCorp files supplement to 2014 IRP – comments and reply comments may be filed within 15 and 20 days, respectively.

7/23 – Comments filed on RPS Plans, Supplement, and Issues and Questions in this Ruling

8/20 – Motions requesting evidentiary hearing (note: If a motion is filed and granted, the ALJ may need to issue a revised schedule.)

8/20 – Reply comments on RPS Plans, IRPs and Ruling Issues/Questions

9/10 – Motion to update RPS Plans

4th Quarter 2014 – Projected date for issuance of Proposed Decision

4th Quarter 2014 – Projected date for Commission vote on Proposed Decision

4th Quarter 2014 – IOUs issue Request for Offers for Solicitations or otherwise pursue approved RPS Procurement Plan

Thank you, Jed Gibson

Attorney for the Alliance for Retail Energy Markets
