Subject: R.14-02-001: Joint Reliability Plan: Workshop Materials & Agenda for 5/13

To All Parties in R.14-02-001:

Attached are the presentation files from the first Joint Reliability Plan "Track One" workshop, held at the CPUC on 5/2.

The second Joint Reliability Plan "Track One" workshop will be held on 5/13 in the Monterey Room at the Milton Marks Conference Center, 455 Golden Gate Ave., San Francisco. The purpose of this workshop is to assist Energy Division Staff with development of their Report/Proposal regarding Multi-Year Forward RA.

This will be primarily a discussion-based workshop. Participants are expected to come to the workshop ready to share their thoughts and opinions on implementation of possible Multi-Year RA requirements.

A **draft** agenda is attached. It contains web and tele-conference information as well.

Thank you, and we look forward to your participation,

Meredith Leigh Younghein

Senior Regulatory Analyst
