Paul,

Yes, I followed up with [Redacted] with PG&E to make sure this issue stayed on their radar.

Tom followed up and sent me the attached letter. That was my last information on the matter to date.

I just touched base with Redacted. she mentioned that she's talked to you about illness and their fears of explosion out there? Still have to look at a lot of documents, but curious to see what you two have heard.

Thanks!
