Subject: Automatic reply: Article...Gas Explosions Appear Inevitable, Given State of Pipes

Hello!

I'm out of the office May 21st through May 23rd and have limited e-mail access. For urgent issues, please contact:

Natural Gas Safety and Risk Assessment: Paul Penny paul.penney@cpuc.ca.gov | 415-703-1817

Electric & Communications Safety and Reliability: Raffy Stepanian raffy.stepanian@cpuc.ca.gov | 213-576-5772

Kind Regards,

Elizaveta
