Oh!!! Got it.

The afternoon is all I care about. Liza and Denise will do the 11:00 am one and that's probably good.

Larry will be here nearly through August, so we'll have opportunities and the answer is yes!

He's not going to be teaching after all.

See you soon.

I'm certainly going to the one we set up in the afternoon. Just not certain if I'll also go to that morning one :)

Do you wanna do dinner with you, me and mr. Larry while he's in town? Fly safe!

Michael

You're tentative??

Really hope you can make it.

Larry and I are currently stuck at LAX . . . I need to know I'll see you since this trip back is a pain. ☺
