No, you'll be able to talk with Peter Glaholm all about that tomorrow. They will issue a document soon and we can provide that when we get it. Javid Khan has a handout document that will help walk through the process. And indeed, nothing is over!

Lloyds will be back in 5 months.

See you soon.
Laura

Subject: Lloyd's audit report

Hi Laura,

Is there any audit report or the like from Lloyd's that you can send my way regarding their audit/certification of PAS and ISO?

Best,
Nat
