Subject: Thank You

Javid, Peter and Laura

On behalf of the entire Risk Assessment team, I wanted to thank all of you for your time yesterday. I know that I came away with lots of informative information (and a whole new list of questions to be answered !) It is my sincere hope that yesterday's meeting marks the start of a longer dialogue on how PG&E continues to integrate asset management certification (and the culture change that goes along with it).

Best

Michael
