Cops were right, why rush?

Hahahaha! Let's looky loo!! I am reading Orwell's Homage to Catalonia, and just read the part where he gets shot by a sniper. Amazing, and makes me more sure I don't want to go looking for gun shots.

He's good, right?

Reaction was general malaise. Was surprised by number of folks that wandred to the window right away to look. I make it a general rule to stay away from windows during gun battles. It was not a CPUC employee. Some punk took three shots from across the street, missed everything and anyone, luckily, and then took off.

Shit! What was the general reaction? I presume it was not a cpuc berserk or anything. By the way, I love Hannibal Burres, he's hilarious. My favorites on youtube were on apple juice, and one on hipsters and annoying girlfriends. Really amazing.

Three gunshots a few min ago on van ness. Took law enforcement 10+ minutes to arrive, even with sheriffs located on the next block.
