Subject: RE: FPL Emergency Communications Plan

Hi Stephanie,

I'm sorry for the delay in responding. If it works for you, I think best approach would be to have our team brief you on the FPL plan. When I reached out to Nancy, she stated that she was not willing to share and noted that they do not even provide to their own regulator.

Thanks,
Meredith

Stephanie,

Please contact Nancy Francis, FPL's Sr. Director of External Communications for a copy of their emergency communications plan. Nancy's number is 561-691-7703 and her email is nancy.francis@fpl.com. I left Nancy a message letting her know that you would be reaching out to her. Please let her know that Tim Fitzpatrick's team at PG&E had spoken with FPL's Community

Engagement Director, Thomas Bean, and he suggested that you contact Nancy.

Please let me know if you have any issues with obtaining a copy.

Best regards,

Meredith
