Ugh, sorry that you called that one. Are you going to go around and tell people to go home at 445p?

R is making a smart call. And gives you a great excuse to be in the E bay and extend your weekend. Now you need to teach Elsa how to puke on command!

Enjoy.

Going to a meeting on NEM policy in four minutes. Argh.

Double Argh that I called the meeting.

So I just saw an old guy on a trike crusing slow on campus. I associate this kind of guy with the rural midwest. They're mostly redheads for some reason.
