Mary Jo,

Hope you are doing well. Do you have any time this Friday, May 23<sup>rd</sup> to discuss the Merced Irrigation District's plan to file a Notice of Exemption under CEQA for their proposed purchase of PG&E's Merced Falls hydroelectric project? PG&E would like to provide you with some background regarding this proposed transaction. MID is planning to take this matter before its Board on June 3<sup>rd</sup>, so it would be helpful if we could chat prior to that Board discussion. The conversation should take less than 30 minutes.

Thanks,

Erik
