Great. Let's schedule for 2:00-2:30. I will send you an appointment. I think we can do this by phone for now and will send you a conference call in number. We will probably want to follow-up with a more detailed briefing later next week, but we can chat about next steps with you on Friday.

Thanks!

Erik

Erik

Yes, I have availability on Friday from 1:30 to 2:45 if that timeframe works for you. I could also discuss late in the day on Friday.

Please let me know.

Subject: Merced Falls Asset Sale

Mary Jo,

Hope you are doing well. Do you have any time this Friday, May 23rd to discuss the Merced Irrigation District's plan to file a Notice of Exemption under CEQA for their proposed purchase of PG&E's Merced Falls hydroelectric project? PG&E would like to provide you with some background regarding this proposed transaction. MID is planning to take this matter before its Board on June 3rd, so it would be helpful if we could chat prior to that Board discussion. The conversation should take less than 30 minutes.

Thanks,

Erik
