Subject: CPUC Storage Workshop on June 2 - Staff Discussion Paper

Parties to the A.14-02-006 Storage Procurement Proceeding:

As promised earlier, please find the Staff Discussion Paper attached to this email. The paper includes a proposed agenda for the June 2nd Workshop. The workshop meeting logistics (in person, phone, or online) are also noted in the Paper. Please review this Paper in advance of the workshop and come prepared to discuss the specific issues described in the memo and provide feedback as requested.

Also, if you would like an opportunity to present prepared comments particularly relevant to the last two topics discussed in the Paper (RFO requirements, evaluation protocols), please separately email directly to me (do NOT reply all to this email) indicating your interest in speaking and include a brief summary of what you would like to discuss. We will make an effort to accommodate but a specific slot is not assured.

If you still have questions re the workshop structure and scope, please email me directly. Look forward to your participation at the workshop,

Thanks,

Aloke Gupta
