Subject: Saturday Lunch

If you are still on, we are having lunch at noon. Any dietary restrictions for anyone ?

We are located at [Redacted] Take the 24 to the first Orinda exit (second exit exiting Caldecott Tunnel heading east). Take a left on Camino Pablo and proceed to Miner Road (4th street light I believe). Make a right on Miner. Go about a ½ mile and Miner splits to the right - Lombardy Drive splits to the left. Bear left on Lombardy and drive through the stone gates that say Sleepy Hollow. Proceed on Lombardy until the second stop sign at Van Tassel. Turn left on Van Tassel and proceed up the hill. Van Ripper is the first street on the right. We are halfway up the street on the right with the bond measure sign to fix the roads – which are the worst in the Bay Area ! [Redacted]. Hope you can make it. Dress casual as it won't be fancy.
