QUESTION 4

Describe and list all funding or in-kind support that PG&E has provided to IBEW 1245 since December 31, 2012.

ANSWER 4

PG&E has provided no funding or in-kind support to IBEW 1245 since December 31, 2012 in any way related to community choice aggregation.

PG&E contributed \$500 to the IBEW Annual Golf Tournament held on October 12, 2013, to help defray tournament costs. PG&E was one of many sponsors contributing to the event. PG&E did not sponsor or pay for any PG&E employee to play in the golf tournament.

PG&E and IBEW are also participants in a newly formed California Electric Utility Industry Labor-Management Cooperation Committee, which among other things, seeks to provide workers and employers with opportunities to study and explore new and innovative joint approach to achieving organizational effectiveness. PG&E and the IBEW have provided this entity with initial funding, none of which has yet been spent other than on non-profit formation and compliance costs. The activities of this labor management cooperation committee have not included and will not include any issues concerning Community Choice Aggregation.
