Yup, my cell is always best. I had messages from March! I didn't realize anyone even had that number. Have a good weekend.

Brian,

I just discovered a voicemail from you on my office line 703-1707 from a few months ago. If something urgent comes up better to call my cell: 916-216-1330. With travel and working in sacramento it can be days at least before I check this line.
