Subject: E-mail Ruling (R.13-11-007) directing Respondents to submit Joint Statement of
Related Proceedings

Parties to R.13-11-007:

At the February 26, 2014 Prehearing Conference in this proceeding, the Southern California Edison Company (SCE), Pacific & Gas and Electric Company (PG&E) and the San Diego Gas & Electric Company (SDG&E) representatives all emphasized the importance of properly coordinating this Rulemaking with the many related on-going proceedings and pilot projects underway. They offered to prepare a list of those proceedings and pilots. This will be very constructive for our progress in this proceeding.

Accordingly, the Respondents to the Rulemaking are directed to prepare a Joint Statement of Related Proceedings, approved Alternative-Fueled Vehicle pilot programs now in progress and any related compliance activities underway or anticipated as a result of recent decisions. Include at a minimum, a list of the proceedings, a brief description of the issues under consideration in those proceedings which relate to this proceeding and the dates of any hearings scheduled and projected dates for proposed decisions. For the pilot programs, in addition to a brief description and decision number for the order approving the pilot, indicate the date on which the pilot is projected to be complete and the reporting requirements or other compliance obligations associated with the completion of each pilot. For the compliance activities, indicate whether further action is required in this proceeding related to those activities and any deadlines associated with those activities.

The Joint Statement of Related Proceedings shall be served by June 13, 2014.

Docket Office shall formally file this ruling.
