Subject: Re: R.13-09-011 Schedule for June 9-13 Workshops and Hearings

ALJ Hymes:

TURN supports the CAISO request to discuss how SS and LM resources count for RA

purposes. Additionally, TURN requests that some time be allocated to discuss how different DR resources get counted for purposes of off-setting long-term procurement authorizations in the LTPP, and whether the treatment of DR in the LTPP would change under the bifurcation adopted in D.14-03-026. We would not oppose a short presentation on this issue by either the CAISO or one of the IOUs.

Thank you for your consideration of this request.

Subject: RE: R.13-09-011 Schedule for June 9-13 Workshops and Hearings

ALJ Hymes:

Consistent with the workshop and hearing schedule that you sent to the parties yesterday, the CAISO also would like to make a brief presentation at the workshop Monday afternoon with respect to the costs of CAISO market integration. We would also like to verify that the issue of how load modifying and supply-side demand response resources will be counted for resource adequacy purposes is included in the Tuesday morning discussion about the characteristics of load modifying versus supply-side demand response. If this was not the intent, the CAISO respectfully requests that this topic be addressed at that time, or at least at some point during the workshop process.

Thank you,
