Subject: RE: NEUAC Plenary

Thanks. I arrive late Thursday after a CPUC Commission meeting. I'll bring any power points I have in the morning if we're not able to email them in advance. Thanks, Commissioner Sandoval

Hi all...

I'm your friendly moderator for the NEUAC plenary session net metering session. I'm very much looking forward to participating with you in the session.

If you need anything before our session, please don't hesitate to call either me (303-246-4576) or the session developer Chris Hickling (571-283-9461). I'm not sure when you all will be coming in; however, if you are bringing a PowerPoint presentation with you via flash drive, please get it to us as early as possible so we can have it loaded and ready to go before our 9:00 a.m. session.

Again, if I can do anything for you at the conference, please get in touch.

Thank you so much for bring this important information to our conference attendees.

Skip Arnold
