Subject: Extension to Comply with OP14 of D.13-09-023

To all parties in R.13-11-005 and R.12-01-005:

Please find attached a letter from the Executive Director granting Energy Division an extension of time to comply with Ordering Paragraph (OP) 14 of D.13-09-023. OP14 requires Commission staff to provide feedback to the investor-owned utilities (IOUs) on their respective ex ante review activities at various points each program year.

Since the Efficiency Savings and Performance Incentive (ESPI) mechanism was adopted in September 2013, Commission staff and consultants prepared and delivered feedback to the IOUs on their 2013 ex ante activities. Using the lessons learned from 2013, staff believes that an extension will allow for the development of more thoughtful and actionable feedback to the IOUs, as opposed to a rushed deliverable that would not be as beneficial. The extended deadlines for 2014 ex ante feedback to the IOUs are:

Required Action	Prescribed Deadline*	Expected Deadline
Mid-2014 feedback	6/1/2014	7/15/2014
Mid-2014 feedback discussion	7/1/2014	8/15/2014
Final 2014 feedback	1/31/2015	3/31/2015
Final 2014 feedback discussion	2/15/2015	4/15/2015

*Prescribed dates were established in Attachment 5 of D.13-09-023.
