Subject: R.13-11-007 [AFV OIR] JOINT STATEMENT OF RELATED PROCEEDINGS

To All Parties on the Service List for R.13-11-007:

On June 3, 2014, ALJ Moosen, in an e-mail to the service list in the above captioned proceeding, directed Southern California Edison Company (“SCE”), Pacific & Gas and Electric Company (“PG&E”) and the San Diego Gas & Electric Company (“SDG&E”) (collectively, the “Respondents”) to prepare and serve by June 13, 2014 “...a Joint Statement of Related Proceedings, approved Alternative-Fueled Vehicle pilot programs now in progress and any related compliance activities underway or anticipated as a result of recent decisions.” This Statement is also “...to include at a minimum, a list of the proceedings, a brief description of the issues under consideration in those proceedings which relate to this proceeding and the dates of any hearings scheduled and projected dates for proposed decisions. For the pilot programs, in addition to a brief description and decision number for the order approving the pilot, (the Respondents are to) indicate the date on which the pilot is projected to be complete and the reporting requirements or other compliance obligations associated with the completion of each pilot.” For compliance activities, the Respondents are to also “... indicate whether further action is required in this proceeding related to those activities and any deadlines associated with those activities.”

The Respondents hereby comply with ALJ Moosen’s ruling. The requisite information is attached to this email.
