Subject: R.12-06-013 Question to Parties Regarding Need for Technical Workshop
Evaluating TOU Programs

Dear Parties to R.12-06-013,

The Energy Division requests party feed-back on whether a 1 day technical workshop on existing optional and pilot TOU programs would be useful. This workshop would consist of a series of technical expert presentations related to the design and implementation of specific optional/pilot TOU programs including programs in the IOU service territories, SMUD, APS, and any other specifically identified existing programs. Topics could include:

- 1) Load reduction measured in the optional/pilot programs.
- 2) Lessons learned, including enrollment rates, from marketing and education efforts for these optional/pilot TOU programs.
- 3) Variables that were considered in the design of these optional/pilot TOU programs.

Please provide feedback to the Service List by answering the following questions by June 27, 2014:

- 1) Would a technical workshop on existing optional/pilot TOU rates be helpful to parties in the R.12-06-013 proceeding?
- 2) If yes, are there specific technical topics or questions you believe the workshop should address?
- 3) If yes, please provide suggested date/timing for the workshop.

Thank you.

Julie Halligan

Administrative Law Judge
