Subject: Re: SDG&E LTPP Track 4 Procurement Plans

Some parties have requested an extension to July 1 for submitting comments to Energy Division on SDG&E's Track 4 Procurement Plan. Energy Division will review comments submitted by June 24, 2014. Comments submitted after June 24 will not be reviewed by Energy Division.

Energy Division's review is limited to determining whether SDG&E has met the requisite conditions to submit a procurement application. Parties will have the opportunity to fully participate in the Commission's formal process once SDG&E's procurement application is submitted.

Dear Ms. Chow & Mr. Randolph:

I am writing on behalf of the Center for Energy Efficiency and Renewable Technologies (CEERT) to request additional time to submit comments to you on SDG&E's LTPP/Track 4 Procurement Plan (Conventional Procurement) and LTPP/Track 4 Procurement Plan (Preferred Resources). These plans were only noticed yesterday to the R.12-03-014 (LTPP) service list by your email below, yet you have set a comment due date that will give parties only 5 business days to review these plans and prepare comments in response. In addition, the assigned ALJ to the same LTPP proceeding at issue (R.12-03-014) has set June 23 as the date on which responses are due on a Petition for Modification requesting public dissemination and comment on these plans.

To permit all parties to have adequate time to fully review these plans, including in comparison with the Commission's directives in D.14-03-004 (Track 4), CEERT requests that the due date for comments to you on these plans be extended to at least Monday, July 1, 2014.

Many thanks for your consideration of this request.
