Subject: RE: R.12-06-013 Question to Parties Regarding Need for Technical Workshop Evaluating TOU Programs

Dear ALJ Halligan,

The Interstate Renewable Energy Council, Inc. (IREC) appreciates the opportunity to provide input on the suggested technical workshop to address TOU issues and programs. IREC agrees with the other responding parties that there is substantial merit in convening a technical workshop. As an additional issue for consideration, IREC suggests that the workshop could address, conceptually, whether TOU periods should be determined in future proceedings using current or forecast load shapes/data. IREC would prefer that the workshop be scheduled in mid-August.

With best regards,

Thad Culley

On behalf of the Interstate Renewable Energy Council, Inc.

On Tue, Jun 17, 2014 at 3:02 PM, Halligan, Julie <julie.halligan@cpuc.ca.gov> wrote:

Dear Parties to R.12-06-013,

The Energy Division requests party feed-back on whether a 1 day technical workshop on existing optional and pilot TOU programs would be useful. This workshop would consist of a series of technical expert presentations related to the design and implementation of specific optional/pilot TOU programs including programs in the IOU service territories, SMUD, APS, and any other specifically identified existing programs. Topics could include:

- 1) Load reduction measured in the optional/pilot programs.
- 2) Lessons learned, including enrollment rates, from marketing and education efforts for these optional/pilot TOU programs.
- 3) Variables that were considered in the design of these optional/pilot TOU programs.

Please provide feedback to the Service List by answering the following questions by June 27, 2014:

- 1) Would a technical workshop on existing optional/pilot TOU rates be helpful to parties in the R.12-06-013 proceeding?
- 2) If yes, are there specific technical topics or questions you believe the workshop should address?
- 3) If yes, please provide suggested date/timing for the workshop.

Thank you.

Julie Halligan
