On that note, Marzia – can you cut the power during Commissioner reports or at least disable Sandoval’s mic? Thanks

This is such a complicated and important group!

Larry is still joining us, so that sounds like we are now 5 – fun!

Assuming Marzia doesn’t do anything to delay tomorrow’s Commission meeting (☺), we’ll be at Gap at 11:45 too.

Very much needing to appreciate some good art . . .

Hello Ladies,

I now have two scheduled meetings with Pres Peevey for tomorrow. Tomorrow is also our lunch and art appreciation day. I'm able to do lunch/art appreciation, but need to be back in the office no later than 1:15pm. I can be at Gap at 11:45 for lunch and then I have to leave at 12:30. I hope that's okay.
