Subject: It's Time to Register for IEP's Annual Meeting - Sept. 17-19 - Fallen Leaf Lake, So. Lake Tahoe

June 9, 2014

The **Independent Energy Producers Association's 33rd Annual Meeting** will be held **Wednesday - Friday, September 17 - 19, 2014** at the **Stanford Sierra Conference Center**. The conference center is located off the beaten path in a serene, natural setting on twenty acres of lakefront property on the south shore of Fallen Leaf Lake, CA. Stanford Sierra camp offers a rustic and casual atmosphere with cool mountain breezes and beautiful wilderness surroundings. Additional information about Stanford Sierra Conference Center can be found at their website: <http://www.stanfordsierra.com/>.

Speaker invitations have gone out to many notable industry leaders. The draft agenda will be posted on the IEP website at www.iepa.com toward the end of June.

If you would like to attend, please return the attached registration form. Be sure to register early as space is limited and we have sold out over the last few years.

Sponsorship opportunities are available. Sponsor support is vital to IEP's presentation of a successful meeting each year. For those of you interested in being a sponsor, please see the attached sponsorship form and sponsor registration form.

We look forward to seeing you in September.

Thank you,

Jamie Parker
