Brekkie place? Homemade café in Berkeley on Sac and Dwight! They have an early-bird weekend special. And a punch-card that lets you earn free breakfast for every 10 visits. Just 'cause we're gonna be rich doesn't mean we aren't going to stop being cheapskates.

Okay, I'm in for \$20, too.

I don't even know where to buy these things. Does DeLaur's sell these gizmos?

I am doing 10 on scratchers 10 on numbers, unless the highest 'set for life' scratcher is 20, in which case I think I total 30 instead of 20. Is that too much? I only do this once every 15yrs. It would be fun for us both to be rich. We'd have to have a regular place to have breakfast. Meal Ticket?

Do I seem terse? Blame the thumb keyboard.

Okay. I'll buy, too. \$10 of scratchers? Or playing lotto numbers? We split the pot, yea? Can't wait to get rich with you. Hah!!

That reminds me, I plan to buy the lotto tix tomorrow. Let's hope your vaunted 'luck o' the scottish' holds up and we find that pot of silver over the rainbow.

If I could pull off a Scottish accent I would. I heard that to film the movie trainspotting a few of the actors had to get coaches to speak in a manner that a non-scot could understand. Hard to believe the Irish and Scots speak the same language at all.

Then I heard him with his outrageous scottish accent.
