Subject: RE: R.12-06-013 Question to Parties Regarding Need for Technical Workshop
Evaluating TOU Programs

ALJ Halligan,

SDG&E appreciates your inquiry as to whether a 1 day technical workshop on existing optional and pilot TOU programs would be useful. SDG&E's responses to the questions raised in your e-mail Ruling are set forth below.

1) Would a technical workshop on existing optional/pilot TOU rates be helpful to parties in the R.12-06-013 proceeding?

a. Yes.

2) If yes, are there specific technical topics or questions you believe the workshop should address?

- a. Whether customers are able to, and whether they actually do respond to TOU rates.
 - b. Whether low demand customers have opportunities to respond to TOU rates and whether there is evidence that they actually have responded to TOU rates.
 - c. Whether TOU rates lead to reduced peak demand and energy savings.
 - d. Whether customers feel that they have more opportunities to manage their energy costs under TOU rates than tiered rates.
 - e. Whether TOU rates are easier for customers to understand and viewed by customers as more fair than tiered rates.
- 3) If yes, please provide suggested date/timing for the workshop.
- a. SDG&E believes the workshop should be held by mid-August.

Thank you,

Tom

Subject: R.12-06-013 Question to Parties Regarding Need for Technical Workshop Evaluating TOU Programs

Dear Parties to R.12-06-013,

The Energy Division requests party feed-back on whether a 1 day technical workshop on existing optional and pilot TOU programs would be useful. This workshop would consist of a series of technical expert presentations related to the design and implementation of specific optional/pilot TOU programs including programs in the IOU service territories, SMUD, APS, and any other specifically identified existing programs. Topics could include:

- 1) Load reduction measured in the optional/pilot programs.
- 2) Lessons learned, including enrollment rates, from marketing and education efforts for these optional/pilot TOU programs.
- 3) Variables that were considered in the design of these optional/pilot TOU programs.

Please provide feedback to the Service List by answering the following questions by June 27, 2014:

- 1) Would a technical workshop on existing optional/pilot TOU rates be helpful to parties in the R.12-06-013 proceeding?
- 2) If yes, are there specific technical topics or questions you believe the workshop should address?
- 3) If yes, please provide suggested date/timing for the workshop.

Thank you.

Julie Halligan

Administrative Law Judge
