I know, I know. They listed for 975k, they think they will get 1.2M. I can't really imagine it, since it's 1450 or 1500sq feet with this weird driveway thing. So, can't be super elderly. Too small for two kids, probably. Gay Chinese couple? Chinese investors? Feels like two distinct markets – family (small for them), or Dwell readers.

Sorry, I had to deal with the house shoppers trying my doors.
