

On behalf of the Multifamily Affordable Solar Housing (MASH) Program Administrators, please find CCSE Advice Letter 48 / PG&E Advice Letter 4447-E / SCE Advice Letter 3063-E, an advice filing to propose modifications to the California Solar Initiative (CSI) Program Handbook to include more detailed and comprehensive low-income eligibility documentation standards for the MASH Program and remove language discussing MASH Track 2 incentives and process.

Due to the size of Attachment A, the Redline CSI Program Handbook illustrating proposed revisions, rather than providing a hard copy of the document, we instead provide notice that Attachment A may be viewed at:

If you would like to request a hard copy of the Redline CSI Program Handbook illustrating proposed revisions, please contact Sephra Ninow via e-mail at sephra.ninow@energycenter.org or via telephone at 858-244-1186.

Thank you!
